Student Conduct: The student handbook clearly defines appropriate classroom conduct. A student can be asked to leave the class for inappropriate conduct. You should not disrupt the class since you interfere with the learning process for your peers. Talking, sleeping, cell phones ringing, or other disruptive behaviors will result in a warning and then can result in the student being dropped from the class. If you must have a phone for sick children or emergency reasons, please put the phone on vibrate because a ringing/singing phone is very disruptive to the class.

**Academic Integrity:** See College Catalog "Offering the work of another as one's own, without proper acknowledgement, is plagiarism..."
