Course Description

This course is designed to enhance personal health and wellness. Physical and personal health assessments, online lectures, power point presentations, along with the textbook chapters will provide students with the necessary tools to take responsibility and make drastic improvements to their long term personal health.

Student Expectations:

Faculty and students actively contribute to one another's learning through critical dialogue, integrative learning, and collaborative learning. In order to take full advantage of the experiences and resources South Plains College offers, students are expected to manage and direct their academic progress with support and guidance from faculty. To acquire knowledge and build skills, students are expected to:

- Read and become familiar with the course syllabus and unit instructions.
- Keep up with assignments and readings.
- Ask for clarifications about material or course expectations.
- Analyze assigned readings and offer thoughtful interpretations.
- Be respectful of diverse perspectives and refrain from making inappropriate comments in discussions boards and personal interactions.

Course Evaluation:

- 1) There will be **Two Exams**, each worth 100 points (200 points total; 40% of your overall grade). Each exam will consist of 50-100 questions (multiple choice, essay, matching, etc.).
- 2) **Chapter Quizzes** will be given over every chapter for a total of 15 quizzes. Each quiz is worth 10 points (150 points total; 30% of your overall grade) and there will be a quiz due each week beginning with the first week of school. Each quiz will consist of multiple choice or true false questions. You can take the quizzes multiple times up until the due date. These quizzes will help prepare you for the exams.

- 3) **Two Homework Assignments** will be completed over the course of the semester. Each homework will be worth 37.5 points (75 points total; 15% of your overall grade). These assignments will be posted throughout the *Unit Instructions* and can also be found under the **HOMEWORK ASSIGNMENTS** Link.
- 4) **Classroom Discussion Topics/ Attendance** will be completed in class and turned in, each worth up to 5 points (75 points total; 15% of your overall grade). The primary goal for the discussion portion assignments of the course is to critically think about what you are learning. These will also be used to keep up with attendance. If you miss 6 of these assignments you will be dropped from the course. There are no makeups allowed for this portion of your grade. If you are not here when we complete these in class, you will receive a zero as a grade.
The primary goal for the discussion portion of the course is to "talk" about what you are learning, so it is fine to be somewhat informal and conversational, however check your grammar and spelling and do not use text message lingo. Your grades on these assignments will not be based on whether or not you give correct answers, but will be based on your content.

** I expect you to read the chapters assigned. This exposes you to the material and makes it easier for you to understand the power point slides and take good notes. Plan ahead, and do not wait until the last minute to submit your assignments.

*** All written assignments should be presented using the conventions of Standard Written English. South Plains College requires all students to become proficient in "academic English," a form of English that is typically used in academic, professional, and business contexts. While slang and informal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing.

Attendance Policy: Drop Policy

Students need to inform me prior to an absence due to a school sponsored

activity. I do not need doctors notes or excuses for being absent from or late to class. If you miss six assignments or if you are tardy on a continuous basis you will be dropped. There are no makeups for missed assignments. I will not take roll prior to class but make sure you're aware of how many assignments you have missed.

- Drops will be made by the instructor for excessive absences, discipline, and disregard for the class guidelines. It will be the student's responsibility to drop themselves after the administrative drop day.

TWO WEEKS OF CONSECUTIVE ABSENCES = DROPPED FROM THE

CLASS. This is a college policy. If you stop coming to class, it is best that you withdraw yourself. Refer to SPC catalog pg.21

Academic Integrity: Students are expected to maintain complete honesty and integrity in their experiences in the course. Please read and understand the SPC policy regarding academic integrity and honesty found on page 23 of the SPC General Catalog. If a student violates this policy (e.g., is caught cheating or plagiarizing), *he or she will receive an F and administrative withdrawal.*
